

MATERIAL SAFETY DATA SHEET

Trade Name: Corimax Yellow 147

1. Identification of the substance and company product details

Trade Name: Corimax Yellow 147

Supplier detail: Zeya Chemicals(Haimen) Co., Ltd.

No.279 West Hohai RD.,Haimen 226100,Jiangsu,China

Information provided by Tech. Dept.

Tel: 86-513-82112119

2. Composition on ingredients

Chemicals characterization

C.I. Index: Pigment Yellow 147

CAS No: 4118-16-5

3. Hazards identification

The substance presents no explosive hazard and does not belong to flammable solid

4. Fire fighting measures

Suitable extinguishing media

Dry powder

Carbon dioxide

Foam

Water spray jet

Special hazard from the substance itself

In case of fires hazardous combustion gases are formed carbon monoxide:

5. Accidental release measures

Methods for cleaning up/taking up

Pick up mechanically

6. First aid measures

General information

Remove contaminated clothing immediately and dispose of safely

After contact with eyes

In case of contact with eyes rinse thoroughly with plenty of cool water and seek medical advice

After contact with skin

In case of contact with skin wash off with soap and water

7. Exposure controls/personal protection

General protective measures

- Do not inhale dust
- Avoid contact with eyes and skin

Respiratory protection: dust mask

Hand protection : gloves

Eye protection: safety glasses

Hygiene measures

- Keep away from foodstuffs and beverages
 - Wash hands before breaks and after work
-

8. Handling and storage

Handling

- Advice on protection against fire and explosion
- Keep away from sources of ignition
- Avoid formation of dust
- Take precautionary measures against electrostatic loading

Storage

Be kept in a ventilated, cool and dry place, it should be also avoided to contact with acid material and expose to air.

Keep container dry

9. Physical and chemical properties

Appearance

- Form: powder
- Color: yellow
- Odor: odorless

Data relevant to safety

- Solubility in water: insoluble
-

10. Toxicological information

Irritant effect on skin: non-irritant

Irritant effect on eyes: non-irritant

11. Ecological information

Remarks: no data can be given due to the products insolubility in water

12. Stability and reactivity

Hazardous reaction: none

Hazards decomposition products: none

13. Disposal considerations

Product

In accordance with current regulations may be taken to waste disposal site or incineration plant after consultation with site operator and/or with the responsible authority

Uncleaned packaging

Packaging that cannot be cleaned should be disposal off as product waste.

14. Transport information

Road transport	permitted
Inland waterways transport	permitted
Marine transport	permitted
EMS	permitted
Air transport	permitted
Further information	
Dispatch by post	permitted

We hereby confirm above goods belongs to common chemical product which is not in the list of <<International Maritime Dangerous Goods Regulation>>

15. Regulatory information

16. Other information

This information is based on our present state of knowledge. It should be not therefore be constructed as guaranteeing specific properties of the products described or their suitability for a particular applications
